

The background is a stylized night sky. On the left, there are silhouettes of two people lying on their stomachs, looking up at the sky. The sky is a deep blue with numerous white stars of varying sizes. On the right side, there is a small silhouette of a person sitting on the ground, looking up. The overall style is simple and graphic.

**10th Annual  
North Carolina Statewide Star Party  
April 8 and 9, 2022**
